At Midreshet AMIT you will spend your day learning, questioning, and growing in Torah. From interesting and challenging classes to guided chavruta study, your year will be packed with learning geared to help you develop a lifelong connection to Torah.

Our home is in the Alfred M. and Frances Frisch Beit Hayeled, AMIT’s well known foster home for disadvantaged youth. You will spend each day teaching, playing and caring for some of Israel’s most needy children. As a “big sister” you will be challenged to give of yourself in a way you have never experienced before and you will be transformed in the process.

Your connection to Israel will be deepened through the unique experience of living and interacting with dedicated Israeli couples and committed Sherut Leumi young women. Through adventurous tiyulim, you will travel the length and breadth of Israel, learning about our history and gaining a greater appreciation for the State of Israel.
The courses of Midreshet AMIT are designed to challenge and guide you as you develop your skills and knowledge. A wide variety of intermediate and advanced classes on topics such as Tanach, Halacha, Hashkafa and Jewish History are offered. Mornings include time spent in the Beit Midrash preparing texts and researching fascinating subjects under the supervision of caring and knowledgeable teachers. Our regular schedule is enhanced by special events and guest speakers.

At Midreshet AMIT, you will appreciate the relevance of our tradition in today’s society and develop a lifelong commitment to Torah.

In addition to the variety of exciting classes offered every week at AMIT, there are numerous opportunities for additional learning. Educational Seminars throughout the year are centered around topics such as Zionism, Modern Orthodoxy, Emunah and Holidays with text based shiurim, special speakers and experiential programming. Our students have the opportunity to learn from some of Israel and America’s most prominent leaders through special guest lectures which take place throughout the year. Optional daily chavrutot with our staff allow our students to engage in learning one on one and focusing on topics of their choice.

Attending Midreshet AMIT is truly once in a lifetime experience. The teachers here are very welcoming and the administration makes Amit feel like my new home. The wide variety of classes and the balance of learning with the opportunity to give of myself to others is something so unique. I have already grown so much and look forward to continuing my journey.

Part of growth in learning is the ability to learn on your own. The Beit Midrash period, known as Beis, gives students the opportunity to engage their own learning in the context of an energetic and dynamic learning community. Part of Beit Midrash learning at AMIT is the Yesodot initiative. Yesodot incorporates Tanach, Halacha and Parsha and allows you to engross yourselves in fundamental texts, acquiring essential Jewish literacy and while growing in your ability to learn on your own. A weekly Yesodot quiz for prizes adds a fun dimension to the weekly learning.

The Beit Midrash is where I challenge myself to grown in Torah knowledge and understand chazal’s unique perspectives. Along with the chavrutot I have with teachers and my fellow students, there are so many sefarim to explore. It is the place where I delve into the ancient and modern texts and have access to our spectacular staff who are so knowledgeable and encouraging. In the Beit Midrash’s interactive environment, students have the opportunity to enter a new world where discussions are endless and where our knowledge is enriched every single day.

I have never met teachers, rabbis and staff like the ones at Midreshet Amit. They come to school every day eager to learn with us and help us grow into the people we want to become. They teach us how beautiful life is and that Hashem is with us through every step. They care deeply for each of us and never fail to give each student a smile and make us feel at home. The Midreshet Amit faculty is one that I know will become my family.

Our comfortable dormitory is located in residential Gilo, a southern suburb of Yerushalayim. Each suite has a fully equipped kitchen, air conditioning, American washer/dryer, exercise equipment, internet access, and a lounge area. Three delicious meals are provided daily and the dormitory is open all year round.

You can choose to stay “home” for Shabbat with your Beit Hayeled family or enjoy hospitality offered by AMIT faculty and friends. The highest security is maintained with closed circuit surveillance cameras and a full time armed guard. Caring madrichot live on the premises and are available to help provide students with all of their needs.
Midreshet AMIT provides unique opportunities for daily chesed. As you work with the children at Beit Hayeled you will use your talent and creativity to design and lead innovative programs. With care and compassion, you will have the opportunity to help disadvantaged children with their academic and social challenges. You will become part of a “mishpachton” (foster family unit) helping to provide much needed shelter, structure and stability. Additionally, you will work with talented and dedicated post high school Sheirut Leumi girls who have volunteered to spend a year of their lives helping the children at Beit Hayeled. This entire project is supervised by a joint effort between the staff of Midreshet AMIT and the professionals at Beit Hayeled, including educators, psychologists and therapists. Throughout the year, these professionals conduct periodic seminars to help you navigate the challenges that you encounter working with foster children. By giving to others, your lives will be immeasurably enriched and you will develop the skills to become the leaders of tomorrow.
Amit offers unique opportunities like no other place. From my time spent in the Beis, I’ve already read many books relating to the topic of Emunah, which has greatly deepened my connection to Hashem. Student to faculty relationships were effortless from the moment we arrived. My experience with Beit Hayeled has been truly gratifying. I’ve learnt so much from my little buddy, Noam, including loads of Hebrew (thanks Noam!) and the true meaning of friendship.

In addition to amazing learning, volunteering with the Beit Hayeled children has made seminary so much more meaningful to me. We play sports with them, go to the makolet, do each other’s hair, and most of all, laugh a ton. We have the opportunity to see the kids around the building each day and become a real part of the extended foster family. I am having a blast with Zohar, my “little sister” - the sweetest and most amicable girl and I love that I have the opportunity to spend time with her a few times a week!

At Midreshet AMIT you will not just spend a year in Israel, you will “Live Israel!” In addition to daily interaction with Israeli children and families at Beit Hayeled, Tanach and Jewish History come to life as we explore the geography of Israel on our monthly tiyulim. Shabbatonim in communities such as Yerushalayim, Gush Etzion, Tzefat and Beit Shemesh will expose you to the diverse populations of contemporary Israel.

Additionally, we are part of a large network of 110 AMIT schools throughout the entire country renowned for their academic excellence and professionalism. Throughout the year, we visit some of the AMIT schools in areas such as Sderot, Beersheva, Tzefat and Ashkelon and participate in special joint programs.

The tiyulim all across the country connect us to our Torah learning in a way that we never did before. Before departing, we learn about where we are going, read about it in the text of the Torah and explore the larger meaning and history. We have the opportunity to experience learning beyond the walls of the classroom and throughout the entire land of Israel.

A PLACE TO LIVE

ISRAEL

TORAH • CHESED • ISRAEL
Israel has become my home away from home and I never realized what a deep connection I have to this country. We go on amazing tiyulim to Ein Gedi, The Dead Sea, Shiloh, the Galil along with so many fun Shabbatonim and Chesed trips. Being here in a Shmittah year is unique and we went to a farm to learn all the halachot in a super fun and practical way. Every trip has been so meaningful and helped bring out an even deeper love for Israel from within me.

TANACH

BLOCK 1: TANACH’S GREATEST HITS
The Tanach has so many incredible messages to teach us through the myriad of stories and lives it describes, and so many of those ethics and morals are recounted in Pirkei Avot. Together, in this unique course which combines Pirkei Avot with Tanach, we will learn about different parts of Tanach and see how each story can so eloquently teach us by example the lessons of the Mishna and the ideals by which we should shape our own personal lives today.

BLOCK 2: BETWEEN THE LINES
The Torah reveals very few relatable details of the lives of the men and women who shaped Jewish heritage, and we are used to viewing Torah characters as purely symbolic and instrumental figures. In this course, we explore these well-known characters from a unique, more humanistic perspective—delving into their emotional complexities and psychological nuances. We will dig deeper and try to better understand the personal struggles, triumphs and idiosyncrasies of these integral Biblical personalities.

BLOCK 4: THE YONA (& OTHER ANGRY PROPHETS)
If Hashem sent you a text message, would you delete it or read it? Well, guess what people, HE DID! This class lets you learn, own and conquer an entire book of Tanach. The book of Yona tackles the fascinating issue of a Navi who didn’t want to be a Navi! What was he thinking? What pushed him to run? Where did he think he was going? Why didn’t he listen to Hashem. Through this book, we will discover issues that deal with the way we as individuals and a nation relate to Hashem.

BLOCK 5: BEST SUPPORTING ACTORS
In every story or narrative, there are the main characters and the secondary characters. The secondary characters or the supporting actors are not only interesting, but they are also often the key to understanding an entire biblical story. In this class, we will delve into the stories in Tanach, focusing on the development and personalities of the “supporting actors” and discovering who they really were.

BLOCK 5: IYOV: PERSPECTIVES ON SUFFERING
Iyov is known to be one of the most challenging books of Tanach. Known for intricate language and deep philosophical questions, it is much more than a book about ‘why bad things happen to good people.’ This course will allow the student the opportunity to explore the depth and beauty of this complex book. Learning Sefer Iyov is a way to learn about the bigger picture of life. What is the purpose of this story? Is there meaning to life’s challenging events? How do we cope when life doesn’t go as planned?

BLOCK 5: THE SOUL OF TANACH
The world of the Tanach is full of stories that have inspired the Jewish people throughout history. The goal of this course is twofold: One: To give a person an overview of the main stories throughout the Tanach. Two: To help a person uncover the soul of these stories and how they relate to our own lives.

BLOCK 5: THE BOOK OF MISHLEI
Of all the books of Tanach, Mishlei is one of the most esoteric. What did Shlomo Hamelech have in mind when he said “In all your ways acknowledge Him, and He will make your paths straight (Mishlei 3,6)” Or, “He who scorns a word will cause himself injury, but he who reveres a commandment will be rewarded”? If you ever wanted to understand these sayings and more, then this class is for you. We will try to uncover the depth and wisdom of Shlomo Hamelech in a way that we can take practical lessons that will impact our lives.

BLOCK 6: BE HOLY!
Relationship guidelines in society, fascinating business ethics, sexual morality, how to relate to ourselves, the world around us and most importantly G-d; Parshat Kedoshim has it all! We will look at these topics in depth from the Torah’s perspective as we learn parshat Kedoshim. This course will show us what it actually means to be a ‘holy’ Jew living in today’s world and appreciating the Torah mitzvot that create that framework for us and just how relevant they are for us today.

BLOCK 7: EXPLORING SEFER TEHILLIM
Sefer Tehillim is a timeless work full of spiritual guidance and essential wisdom. In this class will study and analyze selected chapters, discover their meaning and message and their relevance to our lives. We will cover the psalms which are well known (including those that appear in our daily tefillot) as well as those less known which contain treasures waiting to be discovered. The insights of Tehillim will help us comprehend the ways of Hashem and develop our own potential as a Jew.
**BLOCK 9: SURVEY OF 613 MITZVOT**

We are familiar with the idea that there are 613 mitzvot, but have you ever wondered where that number came from? And why are there so many mitzvot? Can’t we just have a few that we perfect instead? Is living in Israel a mitzvah? How about davening? Where does the mitzvah of chesed come from? How much Torah does one need to learn every day? In this class, we will look at what the Rishonim (Rambam, Ramban, Smag...) considered as part of the 613 mitzvot and we will try to learn more about a selection of those mitzvot (what to do, when to do them, who needs to do them...)

**BLOCK 10: SEFER HACHINUCH**

613 mitzvot may seem overwhelming, yet they are tremendous opportunities. In this course, we will delve deeper into the mitzvot through the lens of the Sefer Hachinuch. Written in the 13th century by an unknown author, the Sefer Hachinuch dissects each of the 613 mitzvot in order of the weekly parsha. It explains the source, a suggested reason, and the lessons contained in each mitzvah. This class will hopefully provide both greater meaning and practical ways to implement the mitzvot into our daily lives.

**BLOCK 11: TOPICS IN GEMARA**

The clothing we wear has become a widespread topic of conversation, particularly for women today. The goal of this course is to gain a sense of a Torah perspective on this conversation: starting from texts about clothing in Tanach and extending to the basics of practical הלכות צניעות. We will work together to develop an authentic outlook on the significance of clothing in our own lives through the analysis of various texts and discussions.

**BLOCK 12: PARSHA INSIGHTS**

The goal of this class is to glean moral instruction and personal inspiration from the weekly Parsha. We will discuss some central ideas of the weekly Parsha with the intention of better understanding who we are, what we believe, and how we practice.

**BLOCK 13: RASHI AND RAMBAN: INTRODUCTION TO PARSHANUT**

We have all heard the expression “there are 70 faces to the Torah.” The beauty of the Torah is the possibility of multiple perspectives it allows. In fact, almost everything we learn is based on the premise that people see things in different ways. Two of the most famous Parshanim (commentators) on the Torah were Rashi and Ramban. Join this class and see how two opposite perspectives can be formed out of the same words, and see the beauty in both.

**BLOCK 14: SEFER HACHINUCH**

The clothing we wear has become a widespread topic of conversation, particularly for women today. The goal of this course is to gain a sense of a Torah perspective on this conversation: starting from texts about clothing in Tanach and extending to the basics of practical הלכות צניעות. **BLOCK 17: SPARKS IN TIME: THE PARSHA**

If you want to travel fast—travel alone, but if you want to travel far—travel together. This is a dynamic-chavurta based class where together, we will delve creatively into the meanings of the weekly portion. This is a class that will help you develop learning skills and deepen your connection to Torah and with Judaism in your everyday life.

**GEMARA & CHAZAL**

**BLOCK 1: AVOT & BANOT**

“If I am only for myself, who am I?” “Say little and do much!” You are probably familiar with Pirkei Avot. It is one of the best known and most cited of Jewish texts. This beloved masechet serves as one of the central pillars of Jewish values and thought. In this course, go on a journey through this profound work. Pirkei Avot—E hics of our Fathers is a book of morals, guiding us on how to live a true meaningful life. We will use the text and explain with stories and parables to bring it to life.

**BLOCK 2: THE MYSTERIOUS TALES OF THE TALMUD**

Choni drew himself in a circle and refused to leave until Hashem listened to him, Raban Gamliel was driven from power in a Beit Midrash uprising. The Gemara is filled with fanciful tales and mysterious stories. In this class, we will be diving into the depths of these stories. Using the Gemara and other Torah teachings, we will learn to understand the deeper meanings behind these stories, and along the way, understand their relevance to our daily lives.

**BLOCK 3: WITCHES, WENCHES AND WISE WOMEN: WOMEN IN THE EYES OF CHAZAL**

In this class we will explore how women were viewed by the Rabbis in the time of the Talmud. We will study the topics of Women and Talmud Torah with a spotlight on Bruria, Women and Mitzvot with a spotlight on Yalta, Women and Magic-Witches in the Talmud, Women and Leadership, Creation of Women and the story of Lilith, Women and Kfira with a spotlight on conversations with the Matrona (a very interesting woman you’ll want to hear about.) This course will be textured based using various gmaras and articles but will also include movie clips.

**BLOCK 4: TOPICS IN GEMARA**

FACT: The Gemara is the central work of Judaism. Everything you’ll ever learn has a source in the Gemara. The purpose of this course is to provide the student with an understanding of the Gemara as that central text. Students will be able to understand specific concepts and see how the Gemara develops ideas, differentiates between different Halachos and comes to a conclusion (sometimes.) The topics (sugyot) that have been selected that are relevant, timely and exciting. Classroom discussion, leading to expansion of the sugya, will be an important part of the course.

**BLOCK 5: RASHI AND RAMBAN: INTRODUCTION TO PARSHANUT**

We have all heard the expression “there are 70 faces to the Torah.” The beauty of the Torah is the possibility of multiple perspectives it allows. BLOCK 1: LIFE CYCLES
From Birth to Death, Jewish life is full of rituals and customs. Ever wonder why people put all their jewelry around the baby at a Bris or Pidyon haBen? Do you say "Echad Yizkor" on a Bat Mitzvah? We will study some of the most commonly encountered areas of Hilchot Shabbat with emphasis on their practical application. As a double period class, we will have plenty of time for chavruta, skill building, and individual growth as part a central aspect of our class. However, too often we are caught off guard and find ourselves unprepared to properly absorb the power of each month and the flavor of each holiday as they seem to suddenly arrive unexpectedly. What we may not have figured out yet is that most of us will be involved in kiruv in one way or another, whether as a roommate in college, a classmate and most importantly, a parent. This class will focus on how to be involved in kiruv on an individual level as well as on a global level in a very practical way.

MIDRISHET AMIT

**BLOCK 3: A MATTER OF TRUST: STUDIES IN CHOVOT HALEVAVOS (DUTIES OF THE HEART)**
Rabbeinu Bechaya’s Chovos Halevavos is a timeless classic of Jewish philosophy. In it, he tackles one of the most important topic facing every Jew—bitachon: faith and trust in Hashem. This course will expose the student to this staple of Jewish philosophy and analyze and flesh out the issue of Bitachon—faith in Hashem. Topics included are: What is bitachon? What good does it do us? How does it change us? How do you learn to have it?

**BLOCK 4: UNCOVERING THE SPIRITUAL MEANING OF SHABBAT (SOUL OF SHABBAT)**
For many, Shabbat is a day of restrictions. Yet according to Jewish philosophy and Kabbalah, all the laws of Shabbat are spiritual tools that help a person experience the power of God, family, inner peace and the ability to focus on the present moment. It is not a day of restrictions, but a day of celebration. In this course, we will study many Jewish sources that explain the meaning behind the laws and customs of Shabbat. This course will focus less on analyzing the laws, and more on uncovering the meaning of the laws. Examples of the laws and customs that we will study include: challah, kiddush, candles, three meals, muktzah, pikuach nefesh, Shabbat clothes, Shabbat prayers vs. weekday prayers, havdala, refraining from using electricity/phone.

**BLOCK 4: RAV SOLOVEITCHIK ON THE FAMILY**
Have you always wanted to improve your relationships with your siblings, parents or grandparents? Family relationships define, shape and influence us throughout our entire lives. These relationships can be very loving and positive and at the same time complex and stressful. The Jewish family has always been the backbone of our nation. Learn how Rav Soloveitchik’s philosophy on the Jewish family can ultimately help improve the dynamics within our own families. We will study and discuss Rav Soloveitchik’s writings on the relationships with grandparents, siblings, parents, childrens and spouses.

**BLOCK 6: SPIRITUAL WRITINGS OF RAV KOOK**
Unfortunately, for most of the English-speaking world, Rav Kook (1865-1935) has become one of those cliche thinkers that many people talk about, but very few have actually learnt and become inspired from the inside out. This course is an in-depth study of Rav Kook’s writings, which spearheaded religious Zionism. We will study his spiritual philosophy of individuality, teshuva (spiritual growth), Torah, Zionism, atheism vs. faith, vegetarianism, and geulah (universal redemption).

**BLOCK 7: REBBE NACHMAN’S SOUL**
Rebbe Nachman left behind a legacy of love, devotion, and endless positivity in a world which is often devoid of such things. In this Shiur we will go through the text and draw from the wellsprings of light and spirituality that are found in the book Sichot Haran, Rebbe Nachman’s lectures.

**BLOCK 8: HOLY FIRE (AISH KODESH)**
During the Holocaust there existed a Tzaddik who taught Jews how to live a life infused with longing, feeling, and a hopeful heart, even in the darkest of times. He buried his teachings along with his personal diary in the ghetto. The Tzaddik was murdered hy”d, but his teachings were found after the war and live on. We will study his teachings and attempt to learn how to feel real emotions and presence in our service of G-d and in our everyday life.

**BLOCK 8: ISSUES IN MODERN ORTHODOXY**
In this class we will attempt to anticipate some of the challenges that will occur when the student is no longer in their supportive Jewish environment. We will be discussing issues such as: What to do when we start to doubt? How to react and interact with other religions and with other denominations of Judaism? Is evolution anti – Torah? What is Biblical criticism, and the like.

**BLOCK 9: WHAT MUST A JEW BELIEVE (IF ANYTHING)?**
In this course we will be exploring the world of Jewish faith. Is Judaism an action-based religion or a belief based one? What must a Jew believe? What does imposing a system of faith mean? And if a Jew must believe, what are the core principles of faith required? We will be drawing on the Rambam’s 13 principles of faith to answer these questions.

**BLOCK 11: SCIENCE MEETS TORAH**
We will explore some of the major issues and conflicts between Torah and science. We will begin with the classic “hot” topics such as Age of the Universe, Dinosaurs, Fossils, Creation/Evolution and move on to conflicts of the modern age Brain Death, Euthanasia, Stem Cell Research, Organ donation, cloning as well as other topics. This is a text-based class using classic commentators as well of views of leading scientists. The aim of the class is to enable students to feel confident in their knowledge of the issues and to be exposed to various resolutions.

**BLOCK 13: DERECH MITZVOSECHA: A KABBALISTIC APPROACH TO MITZVOS**
We will study different Mitzvos and their meanings through the Kabbalistic lens of Chassidut. We will study things such as oneness and belief in God, Mitzvat Ahavat Yisrael, Tefila and more. It was written by the third Rebbe of Chabad and is a very in-depth kabalistic work on the meaning of Mitzvot.

**BLOCK 14: HEM WHERE ARE YOU, AND WHAT ARE YOU DOING? (HWAY)**
Hashem is mysterious and hidden. Jews have always tried to seek Him and understand His ways. This class will discuss the issues relating to our understanding of God in the world and our place in that world. Topics include: Is everything in our world good? Are there coincidences? Our exploration will focus on classic and contemporary sources.

**BLOCK 18: FUNDAMENTAL TEACHINGS OF CHASSIDUT**
In the early 1700’s when revolutions were happening in many corners of the world, there was one happening within the hearts and souls of the Jews of Eastern Europe. Started by the great revolutionary, Rav Yisrael Baal Shem Tov, the Chassidic movement awakened, warmed and inspired masses of broken and tired Jews and ignited emotion and passion and feeling that had not been seen in the Jewish world since the days of the prophets. In this class we will learn together some of the fundamental ideas and teachings of Chassidic thought such as living with God in our consciousness, hope in the face of despair, the value of Jewish community and camaraderie, prayer with passion, positivity, song, value of the study of mystical areas of Torah and much more. As we study we will also get to introduce ourselves to some of the great Chassidic leaders from the last 250 years. We will also be sure to share and prepare chassidic insights on the weekly Torah Portion as well as the holidays.
**MUSSAR & SELF HELP**

**BLOCK 3: LIVING A LIFE OF SIMCHA AND EMUNAH**
In the 1980’s the secular world started trying to study what makes people happy. The Baal Shem Tov and his followers knew these secrets and taught us them 250 years ago. This class will discuss the different methods and approaches on how to reach happiness, meaning, and faith in our daily lives. We will delve into the teachings and stories of the Baal Shem Tov, as well as secular psychology texts and studies, exploring the nature of this pursuit which is desired by all.

**BLOCK 6: MICHTAV M’Eliyahu**
Rav Eliyahu Dessler was one of the greatest Jewish thinkers of the twentieth century. R’ Dessler was born in the late 1800s in Lithuania where he learned under some of the leaders of European Jewry. R’ Dessler went on to spread his teachings to England before finally settling in Israel and teaching there until the end of his life. This course will work closely at Rav Dessler’s magnum opus, Michtav M’Eliyahu. We will base the course on Michtav M’Eliyahu but we will examine how other Jewish thinkers dealt with the issues raised in the book.

**BLOCK 11: NAVIGATING THE SIDDUR**
Becoming familiar with the Siddur, allowing it to be a focal point of our being and becoming a true oved Hashem: this course is highly recommended.

**BLOCK 12: MIDDOT WORKSHOP**
Our goal in this course is to improve our relationship with Hashem, ourselves, and those around us by exploring different aspects of spirituality and character development. We will use texts and media to analyze the importance of certain character traits. We will also address the challenges of and strategies towards self-improvement. Ultimately, we’ll discover how certain middot can facilitate happiness, success and meaning in life.

**BLOCK 13: ZEMIROT: THE SHABBOS SPICE**
There are many ways you can enhance your Shabbos. One of those is through singing zemirot. This course will take an in-depth look at the many zemirot recited on Shabbos. We will learn about who composed them, understand the lyrics, and deeper meanings. This class will also explore the unique Shabbos tefillot and help us understand what we are saying each week. Although this class will be taught on a Tuesday, it will definitely help elevate the coming Shabbat!

**BLOCK 18: LIFE HACKS**
Ever wanted to do life...better? Life Hacks will take a deeper look into life lessons from the wisest of our teachers, and bring those teachings down into our day to day. Using games, discussions, stories and more, this class will get you thinking and sharing and reflecting and hopefully dreaming big. Course objectives include developing an awareness and love of seeking wisdom and incorporating it into our daily living, discovering ways and systems to help prioritize the important from the not, and learning effective tools for building and maintaining relationships.

**BLOCK 20: HOW AWESOME AM I?**
“If I am not for myself, who will be for me? But if I am only for myself, who am I? If not now, when?” Pirkei Avot, 1:14. Whether you are middle of developing your basic “I” – your true inner self - or moving beyond that and sharing yourself with others, each of us has a natural holiness. At our core is a sacred, transcendent self—and it glows like an eternal light! Why then can we feel at times so unholier, so mundane, so dark? This is a dynamic, fun, safe-space, where we will work together and support each other as we work to become the best versions of ourselves through writing, discussion and meditation.

**BLOCK 20: THE ART OF REFLECTION**
What did I learn this week? What did I accomplish this week? What do I want to take with me? The Art of Reflection is a class for any student who wants to bring their week to a close by reflecting and exploring their inner world. Time to review, time to share, time to write and even time to sing. All of these will be the vehicles by which we process the week that was and look forward to the week ahead.

**BLOCK 20: A TORAH PHILOSOPHY OF SELF IMPROVEMENT**
The discussions around כביכול וה学费 החכמה and character development can at times feel esoteric and impractical. The goal of this class is to concretize and personalize these conversations, gaining insight from different Jewish thinkers and texts. We will focus on both the inherent importance and broader ramifications of refining one’s character.
JEWISH HISTORY

BLOCK 7: THE SHOAH
In today’s world of Holocaust deniers and with the disappearance of survivors, it is crucial to know precisely what happened during the time period of the Shoah. We must be resolute in our commitment to the phrase “Never Again!” and pay homage to the memories of the 6 million lost.

By addressing these complex issues head on, students will gain the knowledge to effectively articulate an informed position regarding one of the longest running post WW2 conflicts. The goals of this course are threefold: To provide the students with greater context and comprehension of Israel and the Arab-Israeli conflict, to encourage each student to develop his/her own understanding regarding the conflict, and to develop the skills necessary to articulate their understanding to others.

BLOCK 18: PATTERNS IN HISTORY: UNDERSTANDING THE CONTEXT AND RELEVANCE OF THE SECOND TEMPLE PERIOD
In this class, we will first work to understand the broader Religious value of the study of Jewish History, studying both Biblical and Academic perspectives. Our learning will begin with the devastation of חורבן בית ראשון and continue on to גלות בבל, including the historical background of the stories of both Purim and Chanukah. We will focus on patterns in our history and discuss our own religious identities in גלות, seeking personal guidance from our predecessors who lived in different, yet familiar times.

MEGAMOT/ELECTIVES

At AMIT, every student has the opportunity to pick an elective as part of our unique Megamot program. Each week, the students will spend time exploring one elective and engage in experiential learning including group trips, projects, speakers and opportunities for meaningful reflection. Students will be encouraged to think creatively and cooperatively about how to incorporate their learning and experiences into their communities. Students will also gain exposure to the variety of personalities and activities in the broader Amit network throughout the country.

With innovative Shabbatonim, tiyulim, and chesed programs, Barbara – as she’s known at AMIT – adds fun, exciting, and inspiring out-of-the-classroom components to the AMIT experience. Her warmth and dynamic personality have endeared her to the entire AMIT family both while they are students in Israel and for years to come. Barbara earned her degree in education from Stern College and in addition to the various formal and informal educational positions she has held, she has spent many summers on staff at Camp Moshava.
